

We remember before our God and Father your work produced  
by faith, your labor prompted by love, and your endurance  
inspired by hope in our Lord Jesus Christ.

*1 Thessalonians 1:3*

# Inspiring Hope

Make a life-changing impact with the Heart for Missions Offering. Together, we are  
cultivating community, nurturing leaders and growing ministries in the Heartland.

# Christians working together to support life-changing ministries in the Heartland.

The Heart for Missions Offering is cultivating community by supporting the work of **International Fellowship** in St. Louis, led by CBF field personnel Mira and Sasha Zivanov, and **High Plains Hope** in South Dakota, a rural community development ministry led by Karen and Kenny Sherin.

The Heart for Missions Offering is nurturing leaders through **Student.Go** and **Student.Church**, internship programs for college students interested in serving in missions or local church ministry. In addition, the Offering supports the annual **PAUSE retreat** for college and seminary students as well as CBF Heartland's **Clergy Crisis Fund** for ministers experiencing a health, financial or personal emergency.

The Heart for Missions Offering is growing ministries by supporting the work of partner organizations that are sharing the love of Christ and changing lives across the Heartland. Those ministries include **Central Baptist Theological Seminary** in Shawnee, KS, **Good Samaritan Care Clinic** in Mountain View, Mo., **Home Front** in North Kansas City, Mo., and **Village Partners** at William Jewell College in Liberty, Mo.

**CBF Heartland covers all administrative fees of your donation, so 100% of your gift supports the designated ministries.**
